

Investing in Our Students Builds a Better Future

Webster Education Foundation Arts and Crafts Extravaganza

Saturday – May 27, 2023

Dear Crafter,

The Webster Education Foundation is getting ready for its 2023 Arts and Crafts Extravaganza being held Saturday May 27, 2023 from 9:00 AM to 4:00 PM.

The craft fair will be held entirely outside in the same location as last year. We do not have electricity or allow generators. It is on the Webster High School Soccer Fields. Any returning crafters will get the same space as last year unless a different area is requested. We will try to honor as many site location requests as possible. Sites are \$70.00 each and will be approximately 12 ft. X 12 ft. An application and Operators & Vendors/Sellers Form is enclosed with this letter.

Applications from returning crafters must be postmarked by March 1st, 2023 to be guaranteed a site. New applications will be decided upon as they come in and those denied will be notified immediately. An acceptance letter and map will be sent the first week of May 2023 to all accepted vendors.

Due to past complications with unloading and parking we ask that as soon as your vehicle is unloaded it must be moved to allow others access to unload their vehicles. No vehicles are allowed on the field. Please park in area designated for crafters to park only. **Any crafters not obeying parking rules will not be invited back.** If you are handicapped, we will make exceptions, but we must know this ahead of time. **No other exceptions.**

We look forward to another great craft fair and hope you will participate!

Thank you,

Mary Nelson
Craft Fair Chairperson

Please remember to fill out the operators & vendors / sellers form that is enclosed. Vendors who do not fill out this portion of the application will not be accepted.
